Books

I recommend the following polymer clay books available at the Austin Public Library:

The Art of Jewelry & Stamping With Style, by Katherine Duncan-Aimone

The Art of Polymer Clay, by Donna Kato

Celebrations With Polymer Clay & Create a Polymer Clay Impression, by Sarajane Helm

The Complete Book of Polymer Clay, by Lisa Pavelka

Creative Stamping in Polymer Clay & Foundations in Polymer Clay Design, by Barbara McGuire

How To Make Clay Characters, by Maureen Carlson

Masters—Polymer Clay: Major Works by Leading Artists

Polymer Clay Gemstones: the Art of Deception, by Kim Schlinke & Randee Ketzal

Polymer, the Chameleon Clay, by Victoria Hughes

Polymer Clay Creative Traditions, by Judy Belcher

Polymer Clay, Irene Dean

Polymer Clay Mosaics, by Sue Heaser

Polymer Clay Mosaics, by Krista Wells

Polymer Clay Color Inspirations, Lindly Haunani & Maggie Maggio

Note: Older books may specify pasta machine settings that don't work with all polymer clay machines, e.g., the thickest setting on an Atlas machine is #1 but on an Amaco, #9.

Austin Polymer Clay Guild welcomes new members. Visit one time free of charge. Find the meeting schedule on the guild's Facebook page.
